Address: Room 103, Building 5, Xinli Building (Block E), Shixin Road, Dalong Street, Panyu District, Guangzhou, China

COMPANY PROFILE >>>

Guangzhou ChengJieTian Animation Technology Co., Ltd was established in 2013

We specialize in R&D, production, and sales of entertainment redemption equipment, including claw machines, token exchange systems, and prize scissors machines. We provide turnkey store solutions encompassing:

- 1. Customized machine design & exterior customization
- 2. Store layout planning with 3D renderings and construction drawings
- 3. Gift supply chain management and operational guidance
- 4. Dedicated technical support groups for machine installation and debugging

I 0th-Generation Mainboard Features >>>

- 1 256M memory smart motherboard with OTA upgrade capabilities
- 2 Wireless networking (whole venue/grouped) with dynamic strobe lighting sync
- 3 One-click parameter synchronization (whole venue/grouped), supports up to 10 groups
- 4 One-tap gameplay presets:
 - 1. 5 modes for claw machines
 - 2. 4 modes for snack dispensers
 - 3. 2 modes for Taiwan-style machines
 - 4. 3 modes for premium gift machines
- 5 Mobile backend for remote accounting, parameter adjustment, and fault alerts
- 6 Auto-repair & reboot for trolley malfunctions

PATENT CERTIFICATES >>>

WORRY-FREE SERVICES >>>

- 1 Floor plans
- 2 3D store renderings
- 3 Construction drawings
- 4 Funny Cat brand authorization documents
- 5 Sourcing channels for plush toys/snacks
- 6 Essential procurement checklist
- 7 Dedicated setup & debug teams
- 8 Display guidance for plush toys/snacks
- 9 Coin value package recommendation
- 10 Grand opening promotion plans
- 11 Holiday event kits and posters
- 12 Online operation tutorials
